

Treasure Hunt

Notes for parents

1. Twyford Village Partnership (TVP) is an organisation working together to make living, working and playing in Twyford better for everyone. Please visit our website for more information: www.twyfordvillage.com.
2. TVP have organised a treasure hunt for children aged five to eleven attending the following schools, Polehampton Infants, Polehampton Juniors, and The Colleton Primary. This is to launch our new Walking Map of the Village. The schools will give a map and entry form to each child and help them solve one of the clues, so they can see how it works. Some forms will be sent electronically. The rest is up to you, as clearly the children **MUST BE ACCOMPANIED BY AN ADULT AT ALL TIMES**, while collecting the clues and then finding the answers! A copy of the entry form can also be found on the TVP website.
3. We are launching it during July before the children break up and it will run through August, as we hope you will find it a fun day for the children, when they get a bit bored during the long holiday! The closing date is the 31st August and we will announce the results at each school at the beginning of the new term. If your child has left we will notify you direct. Completed entry forms are to be dropped at the Twyford Library before the 31st August. The winner is the entrant with the most correct answers and in the event of a tie, there is a tie break question for the children to complete on the entry form.

4. We have designed the hunt in two parts:

You have to collect the 18 clues from participating shops and businesses in the village. These are all located closely together in the centre of the Village or on Longfield Road, and are listed on the next page – so it shouldn't take long to collect them. Note down the clues in a notebook or on a piece of paper.

Once you have collected all 18 clues, we suggest you go home and find all the places you have to go to, on your new map – we have provided a map reference (F8, D7 etc) in each clue to help you. Then plan a route with your children, and off you go. The clues are designed for the children to solve – with perhaps just a little help from you.

5. **Prizes.** All the shops and businesses taking part have put up some money to provide wonderful prizes for you and the children.

1st PRIZE – a Nintendo Wii console - to have fun while keeping active.
2nd PRIZE – a voucher for £150 towards a new bike for a child.
3rd PRIZE – 2 tennis racquets and some coaching at Twyford tennis club.
4th & 5th PRIZES – vouchers for £75 to spend at one of the participating shops or businesses.
6. So have fun, while learning more about the Village and places you didn't know existed. If you have any comments please e-mail us on TVP@live.co.uk.
7. We have tried to make the hunt as safe as possible based on the understanding that you will be accompanying your children or have arranged for another responsible adult to do so. TVP cannot accept any responsibility for accidents, losses or damages however caused and any children or adults participate at their own risk. Please **KEEP SAFE**. TVP's decision regarding the winners is final and we are unable to enter into any communication about the choice of winners.
