Bridge House Development

As some of you will be aware, Bridge House Developers have submitted a substantial planning application to build a nursing home village on the outskirts of Twyford. Members of Twyford Village Partnership accepted an invitation to view the plans and meet the developers. TVP wanted to see how such a significant build could affect Twyford and consider both the [benefits and the problems](#).

The Twyford Village Partnership has not been directly contacted by residents with strong views either for or against this development and so our position remains neutral while we continue to find out more about the possible impact on Twyford.

We would like to urge residents to look at the plans themselves to find out more so that they can reach their own conclusions and voice their opinions to [Wokingham Borough Council planning office](#) before the deadlines on the 4th and 18th November.

The plans can be viewed at the Parish Council Planning & Amenities committee meeting on 2nd November at 7.45pm in the Twyford Room Loddon Hall.

Pros and Cons

Find out how the proposed development [could affect you](#).

Planning Application

Download the plans from [Wokingham Borough Council](#).
