

The Twyford Village Partnership Guide to Local Recycling Facilities

REDUCE, REUSE and RECYCLE

Think before you throw away. There is a good home for most items, if you only know where to look.

Woodley has several Charity Shops grateful for donations; they are good places to pick up a few bargains as well!

If you have any more ideas, then please let us know so that this list can be updated regularly. E-mail: TVP@live.co.uk
